

NATIONAL ASSOCIATION *of* TEACHERS *of* SINGING

DR. DIANE M. CLARK

ENCORE! SOCIETY

FOUNDING MEMBER

I feel very blessed to have enjoyed a lifelong career as fulfilling as teaching singing. I have spent time in a variety of school settings – a state university (3 years), a liberal arts college (32 years), a community college (6 years), and an arts academy (1 year). I have also maintained a private studio for 55+ years. I have been a NATS member for over 50 years, and I am extremely grateful for the support the organization has provided for my teaching over the years. It seems only appropriate that I pay it forward by remembering the NATS Foundation in my will. It gives me great pleasure to envision that young teachers in the decades ahead will enjoy the same support that was there for me and my students.
