So You Want to Sing

Guides for Performers and Professionals

Executive Editor: Allen Henderson; Series Editor: Matthew Hoch

So You Want to Sing is a series of invaluable books devoted to providing a complete survey of what it means to sing within a particular style. Each contribution functions as a touchstone work for not only professional singers but also students and teachers of singing, and all books in the series feature online supplemental material on www.nats.org. The books also feature contributed chapters on voice science by Scott McCoy, voice health by Wendy LeBorgne, and when appropriate audio technology by Matthew Edwards.
