

NSA National Live Semifinal Auditions Schedule

Thursday or Friday | June 26 or 27, 2025 | Temple University | Philadelphia PA

ALL SCHEDULED TIMES ARE LISTED IN EASTERN DAYLIGHT TIME ZONE

ALL SEMIFINAL AUDITIONS: Arrive at least 5 minutes before your scheduled audition time to wait outside your audition room's door. When the singer before you on this schedule exits, enter your audition room. When the adjudicators signal you that they are ready, start your audition by saying your name and the title of the song you entered that you want to perform first and begin performing. After your first song, the panel of adjudicators will request songs from their list of the songs you entered. You will sing until your audition reaches the time limit for your category or until you have performed all songs/arias entered before the time limit sounds. The timer keeps running between songs. When your audition ends, say thank you, gather your belongings, and exit the audition room. Remember to have fun; singing is a unique joy!
