Information on Campus Accommodations

On-campus housing provides an economical and convenient option for your accommodations. You have your choice of a single (individual) or double (shared) room. Participants who select a double room will have an opportunity to make a roommate preference; otherwise, a roommate of the same gender will be assigned. All rooms are furnished with an extra-long twin bed, a dresser, desk and microfridge. Restrooms are shared amongst several rooms in each hallway and are separated by gender. Telephone wake-up service is not provided. TVs are located in building lounges. All rooms are non-smoking. Parking is by permit only in designated areas. Bunking beds is prohibited.

Your room will include one set of non-fitted bed sheets, two towels, one washcloth, pillow, pillowcase, blanket and bedspread and housekeeping service. Housekeeping service is provided weekdays, excluding University holidays. Housekeepers will make beds, exchange towels, and clean bathrooms and public areas.

Note: All campus rooms share a community bathroom and have twin beds that are higher than the regular size twin bed, so please take this in to consideration before you make your reservation.

Lodging and dining packages are priced **per person** and **must be purchased together and for the two nights indicated below**. Packages cannot be broken into individual nights or meals. **No refunds will be given for missed nights or meals**. Guests not registered for the workshop but staying on-campus with a workshop attendee **must make an individual housing registration in their own name**.

If you are making a reservation to attend the entire Workshop event, you will be allowed to add an additional night for arrival on Wednesday, July 19, and an additional night for departure on Sunday, July 23, 2017 if you wish to do so during the reservation process. All reservations must be paid for in advance and at the end of the online registration process. **Your reservation will not be confirmed unless you make payment with your reservation.**

Lodging & Dining Package for NATS 2017 Summer Workshop Attendees and Competitors:
