DictionBuddy is a mobile app that makes learning foreign language rep much easier. We created a library of over 1,300+ audio tracks with native speakers of each language demonstrating proper lyric diction. We record each piece at a normal speed and at a slow speed to help make it easier to learn. In addition, we also provide texts, translations, transliterations, and IPA.

"DictionBuddy is one of the best tools for singers I've seen.... I highly recommend using [it] as part of preparation for performances."  
-William Hicks, Voice Coach and Pianist

"DictionBuddy is simple, brilliant and extremely useful. I am recommending it to my base of singers all over the world as a terrific hands-on tool...  
-Carole Farley, Int'l Soprano and Voice Coach
